NOTICE:
A Social Security Number is required if you are applying for financial aid but is not required for admission to the University of Texas Health Science Center at Houston. Providing a Social Security Number will, however, speed up the processing of your application since we will not need to manually match your application with other materials such as transcripts and test scores. Supplying an SSN ensures that you will be able to claim the Hope Tax Credit if you are eligible on your federal tax return. The University has a strong commitment to ensuring the privacy and confidentiality of student records and will not disclose your Social Security Number without your consent for any purpose except as allowed by law.
